THE MAGIC MOUNTAIN

The Matese Mountain (about 2000 meters el.) is located on the border between Molise, Campania and Lazio.

It is an exceptional naturalistic heritage and in the forests of this mountain there are places of great charm that are almost unique in Italy. Woods, caves, canyons, waterfalls are the backdrop to stories of witches and brigands.

This tour **is a real "wow experience"** in contact with a beautiful nature. Canoe trip, typical gastronomy, a day with the shepherd, Roman archeology, **are the ingredients for an unforgettable experience.**

- Walkthrough "The witches' wood"
- Pic-Nic at the "Snow Pit"
- Walk in the wood and Tibetan Bridge
- Canoa experience on the lake or along the river
