

WINE TOUR

The Molise region has a long tradition of wine production, dating back to the era of the Samnites and Romans. Many grape varieties, both native and international, are grown today on the hills that slope to the Adriatic Sea.

Our Wine Tour takes you to a different winery each day to meet selected producers, who will welcome you personally to their estates and introduce you to their wines and their history. You will have lunch with them and take part in a tasting session guided by our sommelier.

- **Winery and Pizza Party**
- **Vineyards and Romanesque Church**
- **Candlelight dinner in the vineyard**
- **Best Wines & Workshop**
